

Practitioner's Docket No. 57127

PATENT**REISSUE APPLICATION DECLARATION AND POWER OF ATTORNEY****DECLARATION BY THE INVENTOR**

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name, I believe I am the original, first and sole inventor of the subject matter that is described and claimed in letters patent number 5,974,349, granted on October 26, 1999, and for which invention I solicit a reissue patent on the invention entitled REMOTE, AIRCRAFT, GLOBAL, PAPERLESS MAINTENANCE SYSTEM, the specification of which is attached hereto

I hereby declare that there is no assignee for this application.

ACKNOWLEDGMENT OF REVIEW OF PAPERS AND DUTY OF CANDOR
(37 C.F.R. Section 1.175)

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information that is material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56.

In compliance with this duty, there is attached an information disclosure statement in accordance with 37 C.F.R. Section 1.98.

PRIORITY CLAIM

I do not claim foreign priority benefits under Title 35, United States Code, Section 119 of any foreign application(s) for patent. No such applications have been filed.

**STATEMENT OF INOPERATIVENESS
OR INVALIDITY OF ORIGINAL PATENT**
(37 C.F.R. Section 1.175)

That I verily believe the original patent to be partly inoperative or invalid by reason of (37 C.F.R. Section 1.175(a)(1)):

- the patentee claiming more or less than the patentee had a right to claim in the patent.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of broadening:

Claim 1 is partially inoperative because the claim is drawn too narrowly, for example, "an aircraft manufacturer's database means for providing aircraft data and maintenance information" is an unnecessary limitation. New claims have been drawn to eliminate this requirement.

That the error listed above, which are being corrected, up to the time of the filing of this reissue declaration arose without any deceptive intention on the part of the applicant. (37 C.F.R. Section 1.175(a)(2).

POWER OF ATTORNEY

I hereby appoint the following practitioner(s) to prosecute this application and transact all business in the Patent and Trademark Office connected therewith

Fred H. Holmes	43,677
Dennis D. Brown	33,559
Terry L. Watt	42,214
R. Alan Weeks	36,050
Scott R. Zingerman	35,422

I hereby appoint the practitioner(s) associated with the Customer Number provided below to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.

Raymond Zingerman
